Tyler O'Nolan

"Veteran | Full-Time Student | Aspiring Software Developer & Web Designer | Lifelong Learner in Tech"
Biloxi, Mississippi, United States

Summary

I am currently pursuing a career in software development and web design as a full-time student. With a background in the U.S. Military, I bring valuable experience in leadership, teamwork, and critical problem-solving. As I continue to learn HTML, CSS, and JavaScript, my goal is to apply my passion for technology to build creative, user-friendly web solutions.

I am deeply committed to lifelong learning and excited about the endless possibilities in the tech field. My mission is to contribute to innovation and problem-solving, whether by creating intuitive websites or developing software that improves the lives of others

Experience

Mississippi Coding Academies

Student

January 2025 - Present (3 months)

Biloxi, Mississippi, United States

Full-time student at Mississippi Coding Academy, focused on mastering software development and web design.
